### **INTRODUCTION**

This Information Circular is in respect of the Annual General Meeting (the “**Meeting**”) of the shareholders of **Simba Energy Inc.** (the “**Company**”) to be held on May 31, 2016, at the time and place set out in the Notice of Meeting. **This Information Circular is furnished in connection with the solicitation of proxies by management of the Company for use at the Meeting and any adjournment of the Meeting.**

This method allows the Company to deliver only the Notice of Meeting and proxy or voting information form to a shareholder. The delivery of this Information Circular is not required and is available to shareholders electronically on the Company’s website at [www.simbaenergy.ca](http://www.simbaenergy.ca) and on SEDAR at [www.sedar.com](http://www.sedar.com) under the Company’s profile. The Company will not be adopting stratification procedures in relation to the use of notice-and-access delivery methods.

### **PROXY INSTRUCTIONS**

#### **Management Solicitation and Appointment of Proxies**

The persons named in the form of proxy are nominees of the Company’s management. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for and on the shareholder’s behalf at the Meeting other than the persons designated as proxyholders in the form of proxy. To exercise this right, the shareholder must either:**

- (a) **on the form of proxy, strike out the printed names of the individuals specified as proxyholders and insert the name of the shareholder’s nominee in the blank space provided; or**
- (b) **complete another proper form of proxy.**

To be valid, a proxy must be dated and signed by the shareholder or by the shareholder’s attorney authorized in writing. In the case of a corporation, the proxy must be signed by a duly authorized officer of or attorney for the corporation.

The completed proxy, together with the power of attorney or other authority, if any, under which the proxy was signed or a notarially certified copy of the power of attorney or other authority, must be delivered to Computershare Investor Services Inc. (“**Computershare**”), 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1; fax within North America: 1-866-249-7775; fax outside North America: 416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof.

#### **Revocability of Proxies**

A shareholder who has given a proxy may revoke it at any time before the proxy is exercised:

- (a) by an instrument in writing that is:
  - (i) signed by the shareholder, the shareholder's attorney authorized in writing or, where the shareholder is a corporation, a duly authorized officer or attorney of the corporation; and
  - (ii) delivered to Computershare or to the Company's registered and records office, at Suite 2300, 550 Burrard Street, Vancouver, British Columbia, V6C 2B5, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of the Meeting, or delivered to the Chairperson of the Meeting on the day of the Meeting or any adjournment of the Meeting before any vote on a matter in respect of which the proxy is to be used has been taken; or
- (b) in any other manner provided by law.

#### **Exercise of Discretion by Proxyholders**

A shareholder may indicate the manner in which the persons named in the form of proxy are to vote with respect to a matter to be acted upon at the Meeting by marking the appropriate space. **If the instructions as to voting indicated in the proxy are certain, the shares represented by the proxy will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions given in the proxy.**

**If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the shares represented will be voted or withheld from the vote on that matter accordingly. If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the proxyholder named in the form of proxy. It is intended that the proxyholder named by management in the form of proxy will vote the shares represented by the proxy in favour of each matter identified in the proxy and for the nominees of the Company for directors and auditor.**

The form of proxy also confers discretionary authority upon the named proxyholder with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. As of the date of this Information Circular, management of the Company is not aware of any such amendments or variations, or any other matters, that will be presented for action at the Meeting other than those set out herein and referred to in the Notice of Meeting. If, however, other matters that are not now known to management properly come before the Meeting, then the persons named in the form of proxy intend to vote on them in accordance with their best judgment.

#### **Solicitation of Proxies**

It is expected that solicitations of proxies will be made primarily by mail and possibly supplemented by telephone or other personal contact by directors, officers and consultants of the Company without special compensation. The Company will not reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the costs incurred in obtaining authorization to execute forms of proxy from their principals. The cost of solicitation will be borne by the Company.

#### **ADVICE TO BENEFICIAL SHAREHOLDERS**

ONLY REGISTERED SHAREHOLDERS OR DULY APPOINTED PROXYHOLDERS ARE PERMITTED TO VOTE AT THE MEETING. SHAREHOLDERS WHO DO NOT HOLD THEIR SHARES IN THEIR OWN NAME (REFERRED TO AS "**NON-REGISTERED SHAREHOLDERS**") ARE ADVISED THAT ONLY PROXIES FROM SHAREHOLDERS OF RECORD CAN BE RECOGNIZED AND VOTED AT THE MEETING. Non-Registered Shareholders who complete and return an instrument of proxy must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder.

If securities are listed in an account statement provided to a shareholder by a broker, then in almost all cases those securities will not be registered in such shareholder's name on the records of the Company and will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such securities are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Securities held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Without specific instructions, brokers/nominees are prohibited from voting securities for their clients. The directors and officers of the Company do not know for whose benefit the securities registered in the name of CDS & Co. are held.

In accordance with NI 54-101, the Company has distributed copies of the Notice of Meeting and Proxy to the clearing agencies and intermediaries for onward distribution to Non-Registered Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Non-Registered Shareholders in advance of shareholders' meetings unless the Non-Registered Shareholder has waived the right to receive meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Non-Registered Shareholders in order to ensure that their securities are voted at the Meeting. Often the form of proxy supplied to a beneficial shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the beneficial shareholder. Should a Non-Registered Shareholder receiving such a form wish to vote at the Meeting, the Non-Registered Shareholder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Shareholder's name in the blank provided and return the materials to the broker as directed.

If you are a Non-Registered Shareholder and Computershare has sent these material directly to you, your name and address and information about your shareholdings have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. Such shareholders can expect to receive a scannable voting instruction form (“**VIF**”) with the Notice of Meeting. The VIF is to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF. Computershare will tabulate the results of the VIFs received from beneficial shareholders and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. **A NON-REGISTERED SHAREHOLDER RECEIVING A VIF CANNOT USE THAT VIF TO VOTE SECURITIES DIRECTLY AT THE MEETING. THE VIF MUST BE RETURNED TO COMPUTERSHARE WELL IN ADVANCE OF THE MEETING IN ORDER TO HAVE THE SHARES VOTED.** All references to shareholders in this Information Circular and the Instrument of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

Non-registered Shareholders who have objected to their broker/nominee disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners (“**OBOs**”). In accordance with securities regulatory policy, we will have distributed copies of the required Meeting materials to the brokers/nominees for onward distribution to OBOs. **The Company does not intend to pay for a broker/nominee to deliver Meeting materials to OBOs, therefore an OBO will not receive the materials unless the OBO's broker/nominee assumes the costs of delivery.** Brokers/nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them.

#### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the re-approval of the Company's stock option plan and the approval of the creation of a new control person of the Company, which will be sought at the Meeting. Directors and executive officers of the Company may participate in the Company's stock option plan, and accordingly have an interest in its approval. In addition, Gagan Goel, Vice-Chairman and a director of the Company, and Punkaj Gupta, the Chief Executive Officer and a director of the Company, have an interest in a potential change of control resulting from the exercise of share purchase warrants issued to Mr. Goel and to be issued to Essel Group Middle East DMCC (“**Essel Group Middle East**”), as Mr. Goel serves as its Managing Director, and Mr. Gupta services as Essel Group Middle East's Chief Executive Officer. See “Particulars of Matters to be Acted Upon – Creation of a New Control Person”.

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The board of directors (the “**Board**”) of the Company has fixed April 18, 2016 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their common shares voted at the Meeting.

As at the Record Date, there were 338,989,243 common shares issued and outstanding, each carrying the right to one vote.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each common share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at Computershare and will be available at the Meeting.

To the knowledge of the directors and executive officers of the Company, no persons or corporations beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date.

### VOTES NECESSARY TO PASS RESOLUTIONS

To approve a motion for an ordinary resolution, a majority of the votes cast by shareholders in person or by proxy who vote in respect of that resolution will be required.

### SETTING NUMBER OF DIRECTORS

The persons named in the enclosed Proxy intend to vote in favour of fixing the number of directors at six (6). The Board proposes that the number of directors be fixed at six (6) for the ensuing year, subject to such increases as may be permitted by the Company's Articles. Shareholders will therefore be asked to approve an ordinary resolution that the number of directors elected be fixed at six (6).

### ELECTION OF DIRECTORS

The term of office of each of the current directors expires at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) (the "Act"), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

The Company's Board proposes to nominate the persons named in the table below for election as directors of the Company. Each director elected will hold office until the next annual general meeting of the Company or until his successor is duly elected or appointed, unless the office is earlier vacated in accordance with the Articles of the Company or the Act or he becomes disqualified to act as a director.

### **CORPORATE GOVERNANCE**

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. A full description of each of the corporate governance practices of the Company with respect to NI 58-101 is set out in Schedule "B" to this Information Circular.

### **EXECUTIVE COMPENSATION**

Under this heading, the Company is including the disclosure required by Form 51-102F6 *Statement of Executive Compensation*.

For the purposes of this Information Circular, named executive officers of the Company means the following individuals (the "**Named Executive Officers**"):

- (a) the Company's Chief Executive Officer or an individual who acted in a similar capacity for any part of the most recently completed financial year (the "**CEO**");
- (b) the Company's Chief Financial Officer or an individual who acted in a similar capital for any part of the most recently completed financial year (the "**CFO**");
- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation (see "Summary of Compensation") was,

individually, more than \$150,000 as determined in accordance with subsection 1.3(6) of Form 51-102F6 – Statement of Executive Compensation for that financial year; and

- (d) each individual who would be a Named Executive Officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

As at June 30, 2015, the end of the most recently completed financial year of the Company, the Company had two Named Executive Officers, Robert Dinning, President and CEO, and Keith Margetson, CFO. Mr. Dinning resigned as CEO on April 15, 2016.

### **Compensation Discussion and Analysis**

The Board reviews and gives final approvals with respect to compensation paid to the Company's Named Executive Officers. The Company has a Compensation Committee comprised of John King Burns, Robert Dinning and Charles de Chezelles and its recommendations go to the Board for final approval. The Company relies solely on Board discussion without any formal objectives, criteria and analysis to determine executive compensation.

The main objectives the Company hopes to achieve through its compensation are to attract and retain highly-qualified individuals, to create among directors and officers a sense of ownership in the Company and to align their interests with those of the shareholders, and to ensure competitive compensation that is also financially affordable for the Company. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's Named Executive Officers may receive compensation that is comprised of salary or contractor payments and stock option grants.

Stock option grants are designed to reward the Named Executive Officers for success on a similar basis as the Company's shareholders, although the level of reward provided by a particular stock option grant is dependent upon the stock market, which is subject to fluctuation.

Messrs. Dinning and Margetson received compensation by way of fees and stock options. The objective of this compensation was to retain their services, motivate a high level of performance and reward them for their achievements and loyalty. All elements of compensation to both Named Executive Officers reflect each individual's responsibilities to the Company.

Neither the Board nor the Compensation Committee has proceeded to a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. The Board does not believe that the Company's compensation program results in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

The Company's Named Executive Officers and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

### ***Option-Based Awards***

The Board believes that eligible persons working with the Company as Named Executive Officers, directors, and consultants should have a stake in the Company's future and that their interests should be aligned with the interests of the shareholders. To this end, the Board determines the overall amount of stock option grants and reviews and recommends to the Company the allocation of such grants to directors, officers and consultants, primarily based on whose decisions and actions can have the greatest impact on the Company's performance.

These option-based awards are granted under the Company's stock option plan. The Company considers previous grants of stock options when considering new grants.

### ***Option Repricings***

No options held by the Named Executive Officers were repriced during the Company's most recently completed financial year ended June 30, 2015.

### ***Compensation Governance***

The Compensation Committee, on behalf of the Board, monitors compensation for the Named Executive Officers. The Compensation Committee currently consists of John King Burns and Charles de Chezelles, who are both independent directors, and Robert Dinning, who is a non-independent director. Recommendations of the Compensation Committee are forwarded to the Board for review and final approval.

The members of the Compensation Committee are senior executives or have held senior executive roles with other public companies and as such, they have a good understanding of compensation practices and procedures. They both have a good financial understanding which allows them to assess the costs and benefits of compensation plans.

The following is a summary description of the mandate and responsibilities of the Compensation Committee as it relates to Named Executive Officer compensation:

- (a) to review and approve corporate goals and objectives relevant to the Named Executive Officer compensation, including the evaluation and performance of the Named Executive Officers in light of those corporate goals and objectives, and to make recommendations to the Board with respect to the Named Executive Officer compensation levels;
- (b) to consider the implementation of short and long-term incentive plans, including equity-based plans, proposed by management, to make recommendations to the Board with respect to these plans and to annually review such plans after their implementation; and
- (c) to annually review any other benefit plans proposed by management and to make recommendations to the Board with respect to their implementation.

During the past financial year ended June 30, 2015, the Compensation Committee has not been active as there have been no changes in the Named Executive Officers or in their compensation.

### **Summary Compensation Table**

The following table is a summary of compensation paid to the Named Executive Officers for the financial years ended June 30, 2015, 2014 and 2013. 	2013	48,000	N/A	27,032	N/A	N/A	N/A	Nil	75,032

- (1) Includes salary paid or accrued during the financial year.
- (2) Option-based awards are valued at the date of grant using the Black-Scholes option pricing model which the Company has chosen because it is one of the most common valuation methodologies used by junior exploration issuers. Option pricing models require the input of highly subjective assumptions, particularly as to the expected volatility of the stock. The following weighted-average assumptions were used for options granted: risk-free interest rate: 0.62%; expected life of options: 5.0 years; annualized volatility: 123%; dividend rate: 0%; and weighted average fair value per option: \$0.015. Changes in these assumptions can materially affect the fair value estimate, and therefore it is management's view that the existing models may not provide a single reliable measure of the fair value of the Company's stock option grants. The Company uses an option-pricing model because there is no market for which options may be freely traded. Readers are cautioned not to assume that the value derived from the model is the value that an option holder might receive if the options freely traded, nor assume that these amounts are the same as those reported for income tax purposes.
- (3) LTIP or long term incentive plan means any plan that provides compensation intended to motivate performance to occur over a period greater than one financial year, but does not include option or stock appreciate right plans or plans to compensate through restricted shares or restrict share units.
- (4) Robert Dinning resigned as CEO on April 15, 2016; he remains the Company's President.

During the last completed financial year, no director, executive officer, or nominee for director of the Company or any of their associates has been indebted to the Company or any of its subsidiaries, nor has any of these individuals been indebted to another entity which indebtedness is the subject of a guarantee, support in agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries.

## INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, since the commencement of the last completed financial year, no “informed person”, any proposed director of the Company, or an associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries. “Informed Person” means: (a) a director or executive officer of the Company; (b) a director or officer of a person or company that is itself an informed person or subsidiary of the Company; or (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company carrying more than 10% of the voting rights attached to all outstanding voting securities of the Company.

In November, 2015, the Company entered into a definitive farmout agreement with Essel Group Middle East on Block 2A in Kenya wherein Essel Group Middle East may earn a 60% participating interest in Block 2A by funding 100% of exploration expenses until the completion of 2 conventional wells on Block 2A. Gagan Goel, who became Vice-Chairman and a director of the Company in November 2015, controls Essel Group Middle East and serves as its Managing Director. Punkaj Gupta, who became a director of the Company on February 11, 2016 and Chief Executive Officer of the Company on April 15, 2016, is the Chief Executive Officer of Essel Group Middle East.

On January 21, 2016, the Company issued to Mr. Goel 33,914,975 units of the Company at a price of \$0.05 per unit (a “Unit”), with each Unit consisting of one common share of the Company and one-half of one share purchase warrant, with each whole warrant (a “**January 2016 Warrant**”) entitling him to purchase an additional common share of the Company at an exercise price of \$0.075 per share for a period of two years.

In April, 2016, the Company received a subscription from Essel Group Middle East for the purchase of 34,000,000 Units at a price of \$0.05 per Unit. This proposed private placement remains subject to receipt of Exchange approval. In addition, the Company is seeking shareholder approval to the creation of a new control person upon the exercise of the share purchase warrants to be issued to Essel Group Middle East as part of the Units in connection with this private placement as well as the exercise by Mr. Goel of the January 2016 Warrants. See “Particulars of Matters to be Acted Upon – Creation of a New Control Person”.

## MANAGEMENT CONTRACTS

Management functions of the Company are generally performed by directors and executive officers of the Company and not, to any substantial degree, by any other person to whom the Company has contracted.

## PARTICULARS OF MATTERS TO BE ACTED UPON

### **Re-approval of Stock Option Plan**

Exchange policy requires all of its listed companies to have a share option plan if the company intends to grant options. At the Annual General and Special Meeting held on June 12, 2015, the shareholders of the Company approved the adoption of a new stock option plan (the “**Plan**”) in order to comply with the amendments made to Exchange Policy 4.4. The Plan is a 10% maximum rolling plan. The Plan was approved by shareholders at the Company’s Annual General and Special Meeting held on June 12, 2015.

Under Exchange policy, the continuation of the Plan requires annual shareholder approval at each annual meeting of the Company by ordinary resolution. The Board is of the view that the Plan provides the Company with the flexibility to attract and maintain the services of executives, employees and other service providers in compensation with other companies in the industry.

A copy of the Plan will be available at the Meeting for review by the shareholders.

### ***Particulars of the Plan***

The following is a summary of the principal terms of the Plan.

The Plan provides that stock options may be granted to directors, senior officers, employees and consultants of the Company (and any subsidiary of the Company) and management company employees. For the purposes of the Plan, the terms “employees”, “consultants” and “management company employees” have the meanings set out in Exchange

Policy 4.4. In addition, the term “director” is defined in Exchange Policy 4.4 to include directors, senior officers and management company employees.

Under the Plan, the Company’s Board may, from time to time, designate a director or other senior officer or employee of the Company as administrator (the “**Administrator**”) for the purposes of administering the Plan. The Administrator will be Mr. Robert Dinning.

The Plan provides for the issuance of stock options to acquire at any time up to a maximum of 10% of the issued and outstanding common shares of the Company (subject to standard anti-dilution adjustments). If a stock option expires or otherwise terminates for any reason without having been exercised in full, the number of common shares reserved for issuance under that expired or terminated stock option will again be available for the purposes of the Plan. Any stock option outstanding when the Plan is terminated will remain in effect until it is exercised or it expires.

The Plan provides that it is solely within the discretion of the Board to determine who should receive stock options and in what amounts, subject to the following conditions:

- (a) options will be non-assignable and non-transferable except that they will be exercisable by the personal representative of the option holder in the event of the option holder’s death;
- (b) options may be exercisable for a maximum of ten years from the date of grant;
- (c) options to acquire no more than 5% of the issued shares of the Company may be granted to any one individual in any 12 month period;
- (d) options to acquire no more than 2% of the issued shares of the Company may be granted to any one consultant in any 12 month period;
- (e) options to acquire no more than an aggregate of 2% of the issued shares of the Company may be granted to an employee conducting Investor Relations Activities (as defined in Exchange Policy 1.1), in any 12 month period;
- (f) options held by an option holder who is a director, employee, consultant or management company employee must expire within one year after the option holder ceases to be a director, employee, consultant or management company employee, which time period the Company determines is reasonable;
- (g) options held by an option holder who is engaged in Investor Relations Activities must expire within 30 days after the option holder ceases to be employed by the Company to provide Investor Relations Activities; and
- (h) in the event of an option holder’s death, the option holder’s personal representative may exercise any portion of the option holder’s vested outstanding options for a period of one year following the option holder’s death.

The Plan provides that other terms and conditions may be attached to a particular stock option, such terms and conditions to be referred to in a schedule attached to the option certificate. Stock options granted to directors, senior officers, employees or consultants vest when granted unless otherwise determined by the Board on a case by case basis. Stock options granted to consultants performing Investor Relations Activities, will vest in stages over 12 months with no more than ¼ of the options vesting in any three month period.

In addition, under the Plan a stock option will expire immediately in the event a director or senior officer ceases to be a director or senior officer of the Company as a result of:

- (a) ceasing to meet the qualifications under the Act;
- (b) the passing of a special resolution by the shareholders; or
- (c) an order made by a regulatory authority.

A stock option will also expire immediately in the event an employee ceases to be an employee as a result of termination for cause or an employee or consultant ceases to be an employee or consultant as a result of an order made by a regulatory authority.

The price at which an option holder may purchase a common share upon the exercise of a stock option will be as set forth in the option certificate issued in respect of such option and in any event will not be less than the discounted market price of the Company's common shares as of the date of the grant of the stock option (the "Award Date"). The market price of the Company's common shares for a particular Award Date will typically be the closing trading price of the Company's common shares on the day immediately preceding the Award Date, or otherwise in accordance with the terms of the Plan. Discounted market price means the market price less a discount of up to 25% if the market price is \$0.50 or less; up to 20% if the market price is between \$2.00 and \$0.51; and up to 15% if the market price is greater than \$2.00.

In no case will a stock option be exercisable at a price less than the minimum prescribed by each of the organized trading facilities or the applicable regulatory authorities that would apply to the award of the stock option in question.

The Plan also provides that: (a) disinterested shareholder approval will be obtained for any reduction in the exercise price of an option held by an insider of the Company; and (b) options cannot be granted to employees, consultants or management company employees that are not bona fide employees, consultants or management company employees, as the case may be.

Common shares will not be issued pursuant to stock options granted under the Plan until they have been fully paid for by the option holder. The Company will not provide financial assistance to option holders to assist them in exercising their stock options.

### ***Shareholder Approval***

At the Meeting, the shareholders will be asked to consider and, if thought fit, pass the following ordinary resolution:

**"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT** the Company's 2016 Stock Option Plan be and is hereby ratified and approved until the next annual meeting of the Company."

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

**The Board recommends that you vote in favour of the above ordinary resolution. In the absence of a contrary instruction, the persons named in the enclosed form of proxy intend to vote in favour of the resolution.**

### **Creation of a New Control Person**

The Exchange requires that where a transaction results in a "change of control", the approval of a majority of shareholders is required. Under Exchange policies, a "change of control" includes situations where after giving effect to the contemplated transaction and as a result of such transaction: (a) any one person holds a sufficient number of the voting shares of an issuer to affect materially the control of the issuer; or (b) any combination of persons, acting in concert by virtue of an agreement, arrangement, commitment or understanding, hold in total a sufficient number of the voting shares of the issuer to affect materially the control of the issuer, in either case where such person or combination of persons did not previously hold a sufficient number of voting shares to affect materially the control of the issuer. In the absence of evidence to the contrary, any person or combination of persons acting in concert by virtue of an agreement, arrangement, commitment or understanding, holding more than 20% of the voting shares of the issuer is deemed to materially affect the control of the issuer.

On January 21, 2016, the Company issued to Gagan Goel 33,914,975 units of the Company at a price of \$0.05 per unit (a "Unit"), with each Unit consisting of one common share of the Company (the "January 2016 Shares") and one-half of one share purchase warrant, with each whole warrant (a "January 2016 Warrant") entitling him to purchase an additional common share of the Company at an exercise price of \$0.075 per share for a period of two years. The 33,914,975 January 2016 Shares and 16,957,487 January 2016 Warrants represents approximately 14.3% of the issued and outstanding common shares of the Company, assuming the exercise of the January 2016 Warrants.

In April, 2016, the Company received a subscription from Essel Group Middle East for the purchase of 34,000,000 Units at a price of \$0.05 per Unit (the "Essel Group Private Placement"). Gagan Goel controls Essel Group Middle East and serves as the Managing Director, and Punkaj Gupta acts as Chief Executive Officer of Essel Group Middle East. The Essel Group Private Placement remains subject to Exchange approval. Upon receipt of Exchange approval to, and the completion of, the Essel Group Private Placement, Mr. Goel and Essel Group Middle East will collectively hold 67,914,975 common shares of the Company (18.2% of the issued and outstanding common shares after closing of the Essel Group Private Placement) and 33,957,488 share purchase warrants (25.0% on a partially diluted basis,

assuming the exercise of the January 2016 Warrants and the 17,000,000 share purchase warrants to be issued to Essel Group Middle East under the Essel Group Private Placement (collectively, the “**Essel/Goel Warrants**”). Consequently it is possible that upon the exercise of Essel/Goel Warrants, Mr. Goel would become a “control person” of the Company under applicable securities laws (as he is deemed under applicable securities laws to beneficially own the common shares of the Company held by Essel Group Middle East) and that such exercise may result in a change of control under Exchange policies.

Accordingly, the Company is seeking disinterested shareholder approval to the potential change of control arising from the exercise of the Essel/Goel Warrants and shareholders, excluding Gagan Goel (who currently owns 33,914,975 common shares of the Company), will be asked at the Meeting to approve the following ordinary resolution, in substantially the following form:

**“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF DISINTERESTED SHAREHOLDERS THAT** the issuance of common shares of the Company to Gagan Goel or Essel Group Middle East on the exercise of share purchase warrants held by either of them, in such circumstance where Mr. Goel and Essel Group Middle East will collectively hold 20% or more of the issued and outstanding common shares of the Company as a result of such exercise (and thereby result in a change of control under TSX Venture Exchange policies), be and is hereby authorized and approved.”

**The Board recommends that you vote in favour of the above ordinary resolution of disinterested shareholders. In the absence of a contrary instruction, the persons named in the enclosed form of proxy intend to vote in favour of the resolution.**

**SCHEDULE “B”**

**SIMBA ENERGY INC.**

**CORPORATE GOVERNANCE COMPLIANCE TABLE**

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its shareholders and contribute to effective and efficient decision making. The Board is of the view that the Company’s general approach to corporate governance, summarized below, is appropriate.
